FOR IMMEDIATE RELEASE

Highway 12-Rio Vista Shoulder Widening Project One-Way Traffic Controls-Week of June 11th and June 16th

SOLANO COUNTY – The California Department of Transportation (Caltrans) will implement ongoing paving and paving prep-work as part of a construction project to add shoulder and turn pocket lanes on eastbound and westbound Highway 12 just west of Downtown Rio Vista. The project is tentatively scheduled to be completed in January 2015.

To ensure public and worker safety during the work, one-way traffic controls will be in effect on Highway 12 between Curry Road and McCloskey Road, and between Azevedo Road and Summerset Lane during three consecutive nights, the week of June 11th, and three consecutive nights the week of June 16th.

Paving work is scheduled on Wednesday, June 11th, Thursday, June 12th, and Friday, June 13th starting at 7 p.m. each night until 5 a.m. the following mornings.

Paving prep-work is also scheduled Monday, June 16th, Tuesday, June 17th, and Wednesday, June 18th starting at 7 p.m. each night until 5 a.m. the following mornings.

During one-way traffic controls, crews will alternate closures on westbound and eastbound Highway 12 to allow one-lane of traffic to proceed at a time. One lane of traffic will remain open at all times.

Please slow for flaggers and construction crews. Motorists should expect delays and allow for extra travel time.

For real-time traffic, click-on Caltrans Quick Maps at: <http://quickmap.dot.ca.gov/>
